

Download/Bookmark/Grab IT STATION

#1: **Google Classroom** .. type:
classroom.google.com

#2: Look at the board for your class
code & get logged in to our science
class site.

#1: Open up Chrome browser

#2: Go to

Nordenscience.weebly.com

#3: Mark my homework page as a
favorite.. click the star in the corner!

Go to **FRONT-LEFT
COUNTER** & grab the
following sheets:

#1: 8th Earth Science Norden Info
Sheet (syllabus)

#2: Lab Safety Sheet

Read over the Norden Info Sheet.. pay particular
attention to what materials you should have for
science class... do your best to have a cheap pair of
earbuds for our class!! Put this sheet in your folder.

#1: Read over the entire Lab Safety Sheet

#2: **SIGN YOUR NAME** in the appropriate spots

#3: Put this sheet in your planner so that it can be taken
home for your parent/guardians signature.

#4: **RETURN** sheet by or before the due date

**** IF it is NOT signed & returned by the due date, you will NO
longer be eligible to do any lab activities & will write research
papers & do lengthy worksheets instead ****

Fill in appropriate
responses for this
station on your
answer sheet
